

B. Sc. (Honors) Zoology

I Year		II Year		III Year	
I	Animal Diversity I (Non Chordata)	III	Animal Diversity II (Chordata)	VI	Physiology and Functional Histology
II	Developmental Biology	IV	Biological Chemistry and Immunology	VII	Genetics, Genomics and Biotechnology
Practicals relating to I and II		V	Ecology and Environmental Management	VIII	Evolution and Zoogeography
Qualifying: History of Science		Practical relating to III, IV and V		IX	Cell and Molecular Biology
Subsidiary (a): Botany		Subsidiary (a): Botany		X	Applied Zoology
I	Plant Diversity	I	Plant Function and Genetics	Xa	(a) Applied Entomology
II	Plant Structure	II	Economic and Applied Botany	Xb	(b) Applied Medical Zoology
Practicals relating to the above		Practicals relating to the above		Practicals relating to V and X	
Subsidiary (b): Chemistry		Subsidiary (b): Chemistry			
I	Inorganic and Physical Chemistry I	I	Inorganic and Physical Chemistry II		
II	Organic and Physical Chemistry I	II	Organic and Physical Chemistry II		
Practicals: Chemistry		Practicals: Chemistry			
Qualifying: English		Qualifying: History of Science
