

# Acharya Narendra Dev Kaushal Kendra

## Skill Hub @ ANDC

### Courses already carried out in the college

S.No.	Name of the Course	Hours
1	Web Developer	400
2	'Research Methodology' for Physical Science students	60
3	'Tools and Techniques in Biological Sciences' for Life Science students	60

The college is running courses on Web Developer, Research Methodology for Physical Sciences students and Tools and Techniques in Biological Sciences for Life Sciences students under Acharya Narendra Dev Kaushal Kendra.

**1)Web Developer:-**The National Education Policy (NEP) 2020 has recommended incorporation of vocational skills into School and Higher Education curriculums so that students can design their own paths of study and life plans. To mainstream vocational education, sharing of infrastructure and developing well-defined pathways for students to continue with their chosen academic-vocational pursuits, an initiative for creation of Skill Hubs across the education and skill ecosystem has been proposed to actualize the intent on the ground.

The 'Skill Hub Initiative' under Pradhan Mantri Kaushal Vikas Yojana 3.0 (PMKVY 3.0) scheme focuses on the introduction of skill training programs in the education ecosystems. Skill Hubs are nodal skill centers identified to provide skill development and vocational training opportunities to target population segments from school dropouts and out-of-education candidates.

Acharya Narendra Dev Kaushal Kendra, Skill Hub @ ANDC is selected as a Training Provider for Web Developer Course. One batch has completed the course in 2022.
