**Sub: Exposure Visit of students at your station**

Dear Sir/Madam,

I would like to inform that University of Delhi has introduced 'Sericulture' as a Skill-Enhancement Semester Course for the undergraduate students. As a part of the curriculum, students are required to be exposed to various tools and techniques employed in the rearing of silkworms.

I would be grateful if you kindly allow our students for an exposure visit at your station on 30<sup>th</sup> September, 2019 at 10:00 AM. A total of 43 students will be accompanied by 03 faculty staff and 03 non-teaching staff members (List attached).

I am sure this visit will help them to learn sericulture techniques and make them aware about various employment opportunities in the field.

Thanking you,

Best Regards

  
(Ravi Toteja)
